Ref: **DT/HR/RD/268**

To,

NAME: **Shajeesh K U**

EMPLOYEE NO: **DTNO052197**

DEPARTMENT: **AI**

SUB-DEPARTMENT: **CV/R&D/Software Engineering**

SUB: Re-Designation

Dear **Shajeesh K U**,

As you are aware that Detect has begun the journey of being an ISO certified company. In view of our evolving company journey, we have restructured the individual roles across the organization to align with our company goals, taking into consideration every individual's career growth.

Based on this, we are pleased to inform you that your new Designation shall be **“AI Software Engineer (ASE 1)”** effective **1st Aug 2022**. The roles and responsibilities for the new role would be informed by your line manager.

All the other terms and conditions which is detailed in your Appointment Letter remains unchanged.

Please signify your acceptance of these terms and conditions by signing the enclosed duplicate and returning it to us.

We look forward to your valuable contributions and wish you all the very best for a rewarding career with the organization.

Yours Sincerely,

Gripson Martes

Head HR
