

Exit Interview

Name: Shajeesh K U

Designation: Associate Manager AI (MAI 1)

☐ Why did you begin looking for a new job?

I felt that the team had reached a point of strong self-sufficiency and stability, making it an ideal time for me to pursue new professional challenges and growth opportunities

☐ What ultimately led you to accept the new position?

The new role offers the opportunity to remain in my current location while providing a streamlined workflow with minimal administrative overhead, allowing me to focus more effectively on core responsibilities and technical impact.

☐ Did you feel that you were equipped to do your job well?

Yes, I successfully completed all my tasks and fulfilled my responsibilities to a high standard. However, I feel that my overall visibility within the broader organization could have been stronger.

☐ How would you describe the culture of our company?

The company culture is very positive, supportive, and highly collaborative, creating a great environment for teamwork and professional growth.

☐ What could have been done for you to remain employed here?

As my decision to leave was driven entirely by a desire to pursue new professional growth opportunities, there wasn't anything specific the company needed to change. I've thoroughly enjoyed my time here.

☐ Did you share your concerns with anyone at the company prior to leaving?

No, I did not have any concerns prior to my departure. Overall, my experience with the team and company has been very positive.

□ If you could change anything about your job or the company, what would you change?

Overall, my experience has been very positive. If I were to suggest one area for potential improvement, it would be providing more detailed and fully clarified problem definitions at the outset of projects, which could further streamline workflows and make the execution process even smoother for the team.

□ Did you receive constructive feedback to help you improve your performance?

Yes, I regularly received valuable constructive feedback from my manager and team, which greatly helped me improve my performance and grow professionally.

□ What benefits or programs did you feel were missing from the organization?

While the organization offers a great environment, expanding access to professional development programs, such as continuous learning courses and targeted training opportunities, would be a valuable addition.

□ What Was Your Relationship With Your Manager Like?

I had an excellent and supportive working relationship with my manager, characterized by open communication and mutual trust.

□ What Did You Like Most About Your Job?

I most enjoyed the opportunities to engage in complex problem-solving and mentor team members, which made the work both intellectually engaging and deeply rewarding.

□ What Did You Dislike Most About Your Job?

At times, navigating occasional ambiguity in decision-making and project direction could present challenges, but working through these moments ultimately provided valuable opportunities for problem-solving and collaboration.

Looking Ahead

☐ What are the biggest risks for our company that you see?

I am confident in the company's strong foundation and current trajectory, and I don't foresee any major strategic risks.

☐ What advice would you like to give to your team? To the executive team?

To my team: This organization is a fantastic place to excel; I encourage everyone to maximize the available opportunities and actively build their visibility across the broader team.

To the executive team: Thank you for the opportunity to contribute and for supporting my professional growth during my time here.

☐ What would make this a better place to work?

The workplace environment is already very positive and supportive, so I don't have any additional suggestions to add.

☐ Would you ever consider working here again? Would you recommend others apply for a position here?

Yes, I would certainly be open to returning in the future, as it would be a pleasure. I am also always happy to recommend talented individuals to join the organization.

☐ Any other Advice Suggestion:

I have no additional suggestions to offer, but I would like to extend my sincere gratitude to the executive team and my colleagues, and I wish the organization continued success in reaching its upcoming goals.
