Subject: Resignation from the Position of Associate Manager – AI

Dear [@Deepika Raju \(HR\)](#) / [@Gripson Martes](#)

Please accept this letter as my formal resignation from my position as Associate Manager – AI. As per my employment terms, I will be serving my 60-day notice period effective from 31st July 2026, and I kindly request to be relieved from my duties on 28th September 2026.

I kindly request my Manager, **Samjith Raj CP**, and my Department Head, **Nikhil**, to review and approve my resignation and initiate the necessary approval process from their end. I would greatly appreciate your support in ensuring a smooth transition and completion of all required formalities.

This has been a difficult decision for me, as my journey with the AI team has been one of the most meaningful and rewarding chapters of my professional life.

I would like to express my deepest gratitude to my Department Head, **Nikhil**, and my Manager, **Samjith Raj CP**. From the bottom of my heart, thank you for believing in me and giving me the opportunity to be a part of the AI team. I can honestly say that without your trust, guidance, encouragement, and constant support, I would not be where I am today. You both gave me opportunities that challenged me, helped me grow, and shaped me into a better professional and person.

There are no words that can truly express how grateful I am for everything you have done for me. Thank you for always standing by me, for your patience during difficult times, for your confidence in my abilities, and for creating an environment where I could learn and thrive. I will always carry these memories, lessons, and experiences with me throughout my career. I owe both of you a debt of gratitude that I can never fully repay, and I will remain sincerely grateful to you for the rest of my life.

I would also like to extend my heartfelt thanks to all my colleagues and everyone in the organization who made my journey so memorable. It has truly been an honor and a privilege to work alongside such talented and supportive people.

Dear **HR**, I kindly request you to let me know if there are any formalities or documentation that I need to complete from my side. I also request you to initiate the necessary exit formalities to ensure a smooth relieving process, including my relieving letter, experience letter, full and final settlement, leave encashment for my pending privileged leaves, and any other applicable benefits.

During my notice period, I will remain fully committed to my responsibilities and will ensure a smooth handover of my work to make the transition as seamless as possible.

As I move on to the next chapter of my career, I will always look back on my time here with immense pride, gratitude, and affection. Thank you once again for giving me an opportunity that I will cherish forever. I sincerely wish the organization, the AI team, and everyone associated with it continued success and prosperity in the years ahead.

With heartfelt gratitude,

Shajeesh K U.
